| EARLY BIRD BREAKOUT SESSION SPONSOR: | \$2000 |
| <ul style="list-style-type: none"> ● 2 Complimentary Registrations | |

Gain exclusive access to our event's audience throughout the day with an early bird breakout session. Your company will enjoy full-day access to a dedicated room, allowing direct engagement with attendees from start to finish. As a highlight, the event will kick off with attendees visiting your room before the forum begins, ensuring maximum exposure and interaction opportunities for your company. This package enables you to share insights, showcase your latest innovations, or conduct live demonstrations without the distraction of other concurrent sessions. While the room won't feature printed logos, your presentation itself will provide a powerful platform to highlight your company and offerings. Sponsors are permitted to give away promotional items. This sponsorship package is ideal for forging deeper connections with attendees and leaving a lasting impression. Only five rooms are available for these sessions.

- | | |
|--|---------------|
| PREMIUM PRESENTATION SPONSOR: | \$1500 |
| <ul style="list-style-type: none"> ● 1 Complimentary Registration | |

As a Premium Presentation Sponsor, your company will receive exclusive exposure at the start of one of the technical presentations. A representative from your team will have the opportunity to address the audience for up to five minutes. This time can be used to introduce your company, highlight your services, and seamlessly introduce the speaker for the session. Additionally, a slide featuring your company's branding and key information will be prominently displayed on the screen during your pitch. This sponsorship package ensures that your company is front and center at the event, maximizing visibility and reinforcing your commitment to the geophysical data and energy exploration industry. Sponsors are permitted to give away promotional items. Only six spaces are available for this sponsorship.

Sponsorship at all levels includes: high resolution Logo on Website Event page, on Flyers printed after sponsorship commitment made, & on the PowerPoints prior to and at the event.

For more info and to be invoiced: office@gshtx.org

The Geophysical Society of Houston was founded to promote the science and profession of geophysics, and to foster fellowship and cooperation among all persons interested in geophysics. The GSH is a charitable, tax-exempt organization under 501(c)(3) of the IRS tax codes. Donations will be used to offset costs of the Event. Any overage will be used to further scholarships, student memberships, educational outreach, and other activities of the Society.
