for more info: karen@gshtx.org

The Geophysical Society of Houston was founded to promote the science and profession of geophysics, and to foster fellowship and cooperation among all persons interested in geophysics. The GSH is a charitable, tax-exempt organization under 501(c)(3) of the IRS tax codes. Donations will be used to offset costs of the Event. Any overage will be used to further scholarships, student memberships, educational outreach, and other activities of the Society.
