

GEOPHYSICAL SOCIETY OF HOUSTON

“The Largest Section of the Society of Exploration Geophysicists”

The Geophysical Society of Houston (GSH) 37th Annual Sporting Clays Tournament is back for 2023! The shoot will take place on April 22nd, 2023 and the GSH is seeking sponsors and participants. All level of shooters are welcome as this is a social event with bragging rights.

Money raised by this event will be used to further scholarships, student memberships, educational outreach, and other activities of the Society. Please find sponsorship and registration documents attached.

The GSH, a **501(c)(3) non-profit organization**, seeks contributions or donations of cash or items suitable to be awarded as door prizes, from individuals and corporations who are friends of our industry. Food and refreshments will be provided before and after the shoot. Door Prizes will be given away at the end of the event.

We would welcome your company to Sponsor the event at any level. There is no limit to the number of Tournament Sponsors or “in-kind” Sponsors. Generous contributions from companies like company name in years past have made this a very successful fundraising event for the GSH. Recognition of your sponsorship will be posted on the GSH website, displayed prominently at the event, announced before and during the awards ceremony and listed in the next issue of the GSH Journal, which will reach our entire membership.

If sponsoring is not an option, we sincerely hope you will consider registering a team or two and coming out to enjoy this great event. Teams this year will consist of 4 shooters although teams of 5 can be accommodated.
